
Holmes Foundation Returns to Springwater

SPRINGWATER TOWNSHIP / May 1, 2013 – The Annual *ATV Ride in support of the Holmes Foundation* will return to Springwater Township this year, with a portion of the entry fee going to support the Foundation’s goal of ensuring residential construction is “done right the first time.”

The ride, which is organized by the Ontario Federation of All Terrain Vehicles (OFATV), will take place on Saturday May 11 and will launch at 9:00 am from the Township Administration Centre at 2231 Nursery Road. Participants will have the opportunity to meet the foundation’s namesake, professional contractor and TV personality Mike Holmes, before heading out on a guided ride through the trails and forests of Springwater Township.

The Township of Springwater is excited to host the annual event for a second time, showcasing Springwater’s amazing trail network. The ride promotes the Holmes Foundation and its partnerships with schools, businesses and governments to raise the reputation of skilled trades in Canada.

Lunch will be served ‘trail side’ and the day will wrap up with an after-ride reception at Horseshoe Resort. The OFATV has been granted temporary permission to use some roadways in Springwater Township for this one-day event. A portion of Nursery Road, from the Township Administration Centre driveway to Horseshoe Valley Road (County Road 22) will be closed intermittently throughout the day.

For registration information and rules and regulations, visit the OFATV website at www.ofatv.org.

Springwater is a municipality of approximately 18,000 residents located in the heart of Simcoe County. Springwater Township is home to the second largest concentration of County Forests and is a popular destination for outdoor activities in all four seasons.
